

# Bold Innovation, Quality Care.

We're more than a member organization—we're a *trusted partner & resource* for nonprofit hospice and advanced illness care providers.

## Who We Are

- We're the voice for nonprofit end-of-life care providers in Washington D.C.
- We advocate for policies that lead to better care for patients and their families
- We advance innovative, person-centered models and strengthen collaboration with leaders, policymakers, and healthcare partners across the nation.

## The Difference We Make

Care should always put patients and their loved ones first. We help our member organizations with the tools & advocacy they need to provide the best care that focuses on people, not profit.

### NPHI & Members

We work together, create new ideas, and advocate to make healthcare better

### Changemakers

Our work inspires leaders to create better healthcare policies and practices

### Patients

Patients & families get caring, quality care that meets their needs and respects their goals

## Where Mission Meets Results

Our members provide quality care and support to thousands of people facing advanced illness.
