a team of caregivers
working to improve your
quality of life.

Palliative Care: Care You Can Trust

Palliative Care is

an extra layer of
support alongside
your treatment.

Palliative Care: Care You Can Trust

Palliative Care is

Care that helps
reduce pain and
discomfort.

Palliative Care: Care You Can Trust

Palliative Care is

care that fits around
your life and your
goals.

Palliative Care: Care You Can Trust

Palliative Care is

help with medications,
equipment, and
supplies related to care.

Palliative Care: Care You Can Trust

Palliative Care is

care wherever you call
home — your house,
apartment, or care facility.

Palliative Care: Care You Can Trust

Palliative Care is

for anyone with a serious illness — at any age, at any stage of an illness.

Palliative Care: Care You Can Trust

Palliative Care is

something you can ask for
— you don't have to wait
to be connected by a
doctor.

Palliative Care: Care You Can Trust

Palliative Care is

more than medicine — it's emotional, spiritual, and helpful support for the whole person.
